SHAW, *Chief Appeals Administrator*.

This application was received electronically at the Board of Patent Appeals and Interferences on April 26, 2008. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner. The matters requiring attention prior to docketing are identified below.

The Supplemental Examiner's Answer mailed September 5, 2007, in response

Application No. 10/509,861

to the Panel Remand mailed August 10, 2007, is deficient, because it was not signed by the Technology Center Group Director or his designee. ### CONCLUSION

Accordingly, it is

ORDERED that the application is returned to the Examiner:

- 1) to vacate the Supplemental Examiner’s Answer dated September 5, 2007, remail with the appropriate required signature (Technology Center Director or designee); and
- 2) for such further action as may be appropriate.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
